Part One

Departing Well

PART ONE DIRECTIONS

Welcome to the Finishing Well Toolkit! There are individual worksheets for each exercise. In each of the four sections please begin by doing the Formational Reading of Scripture exercises. In Part One, start with Psalms 120 through 122. It might be helpful to review “I’m Finished,” in the book and then do the Psalm 120 exercise. Then review Chapter One and Two and reflect on Psalms 121-122. Lastly, work on developing your timeline.
