Leading Well

PART THREE DIRECTIONS

Please do the Formational Reading of Scripture exercises for Psalms 125-128. It might be helpful to review each corresponding chapter in the book prior to reflecting on the passage of scripture. Next do the Calculating Your Margin activity.

Reflective Questions

1. What are five things you learned from Nehemiah's resilient leadership?
2. List the names of those who mentored you over the course of your ministry. Name those who you have or are currently mentoring.
3. How do you care for your soul? What practices would like implement?
